

MALE CONTRACEPTIVE INITIATIVE

Travel & Training Grants Program Sponsorship

OUR MISSION

Nearly half of all pregnancies worldwide are unintended, and yet men's contraceptive options are limited to condoms, vasectomies, and the ineffective withdrawal method. **There is no long-acting reversible contraceptive for men on the market today.**

Male Contraceptive Initiative (MCI) is a 501(c)3 nonprofit working to advance research on new non-hormonal male contraceptive methods in order to have a significant, positive impact on unintended pregnancies worldwide.

OUR STRATEGY

With a two-pronged, interconnected approach, we help move the research and development of male contraceptives forward by **funding** promising leads while building awareness of and interest for these products through our **advocacy** efforts.

We believe that this will allow us to have considerable positive **impact** in the short-term and the long-term as demand for new male contraceptives grows and novel products become available.

YOUR SUPPORT

As a non-profit, we rely on private donations to support our work. **We view our donors as partners in our mission** and provide support opportunities that reflect this partnership. It is vitally important to us that our funders see the impact of their charitable gift, and are recognized for it.

Only together can we move towards a future where everyone has the means to control their reproductive health and participate fully in their family planning.

YOUR OPPORTUNITY

Travel & Training Grants Program Sponsorship

Young researchers are often unable to take advantage of training and networking opportunities simply due to a lack of funds. MCI works to prevent this through a Travel & Training Grants program that provides financial support to qualified candidates throughout the year.

Your **\$25,000** donation allows students & young professionals to capitalize on learning and networking experiences in the male contraception space.

Partnership Details

- “Presented by” mention in all promotional materials
- Custom blog post
- 2x social media posts per month // 24 total
- Press Release mention
- Logo featured in MCI’s annual report
