

MALE CONTRACEPTIVE INITIATIVE

YAB Support Sponsorship Opportunity

OUR MISSION

Nearly half of all pregnancies worldwide are unintended, and yet men's contraceptive options are limited to condoms, vasectomies, and the ineffective withdrawal method. **There is no long-acting reversible contraceptive for men on the market today.**

Male Contraceptive Initiative (MCI) is a 501(c)3 nonprofit working to advance research on new non-hormonal male contraceptive methods in order to have a significant, positive impact on unintended pregnancies worldwide.

OUR STRATEGY

With a two-pronged, interconnected approach, we help move the research and development of male contraceptives forward by **funding** promising leads while building awareness of and interest for these products through our **advocacy** efforts.

We believe that this will allow us to have considerable positive **impact** in the short-term and the long-term as demand for new male contraceptives grows and novel products become available.

YOUR SUPPORT

As a non-profit, we rely on private donations to support our work. **We view our donors as partners in our mission** and provide support opportunities that reflect this partnership. It is vitally important to us that our funders see the impact of their charitable gift, and are recognized for it.

Only together can we move towards a future where everyone has the means to control their reproductive health and participate fully in their family planning.

YOUR OPPORTUNITY

Youth Advisory Board Support Sponsorship Opportunity

MCI's Youth Advisory Board (YAB) consists of students and young professionals passionate about male contraception. They provide the organization with insights into the perceptions and needs of their friends and peers, who represent potential users of new male methods.

Your **\$5,000** donation provides financial resources to support our Youth Advisory Board volunteer members in developing resources, holding meetings, engaging with peers, and more.

Partnership Details

- Personal thank you note from MCI's YAB Members
- 1x social media posts per month // 12 total
- Press Release mention
- Logo featured in MCI's annual report
